Did you know that animals, like humans, have an endocannabinoid system? Just like humans their endocannabinoid system can become depleted and result in an array of different ailments. Why not refuel your dogs endocannabinoid system with Silver Moon Nutraceuticals Dog Formula? 300mg of high quality CBD oil is blended with alfalfa extract, dandelion extract and turmeric extract. This amazing blend of herbs will have an amazing effect!

PURE Silver Moon Nutraceuticals™ uses only the purest herbal compounds, extracted from only the best and most-trusted sources, to provide the nutritional and medicinal benefits your dog requires. We analyze and qualify each batch of sourced material against internal purity standards, followed up with third-party testing, checking for pesticides as well as heavy metals. Our Dog Formula is then blended and packaged in a laboratory environment, under strict controls, to deliver the purest and most-trusted product on the market. We know your dogs are your family, so trust Silver Moon Nutraceuticals™ Dog Formula to deliver the purest formulations for your dog's needs.

POWERFUL Silver Moon Nutraceuticals™ Dog Formula has been shown to deliver powerful results. We have conducted extensive research to determine the appropriate herbal extractions that contain the crucial compounds in the required concentrations for effective results. Our proprietary formulation combines the powerful synergistic effects of pure Cannabinoids, Alfalfa, Dandelion and Turmeric to provide your dog with natural

relief. Silver Moon Nutraceuticals™ Dog Formula can help give your prized family member their quality of life back, naturally, so try this powerful formula today and see how we can help provide your dog relief, together.

POTENT Silver Moon Nutraceuticals™ uses only the most potent forms of herbal compounds that are available on the market. We perform extensive work to classify specific strains of a plant's species which have been identified to contain the highest amounts of targeted compounds so that our products supply the best concentration of medicinal compounds to your dog. From Full Spectrum Cannabinoid Extractions that regulate the endo-cannabinoid system, to Turmeric with high levels of Curcuminoids, to Dandelion's Sesquiterpene Lactones and Phenylpropanoids makeup, you can trust Silver Moon Nutraceuticals™ Dog Formula to provide a potent blend for your dog's well-being.

Refuel your dogs endocannabinoid system with our full spectrum oil!

DIRECTIONS FOR USE

Our full spectrum CBD oil for dogs comes in a 30ml bottles size and is available in 2 flavors. The dropper holds 1ml of liquid (10mg per ml). Dosage depends on your dogs weight. Up to 25 pounds 1/4 dropper full, 26-50 pounds 1/2 dropper full, more than 50 pounds 1 full dropper. Add liquid dog formula to your dogs regular food and stir.
